

Da Bass'ics

Announcing the official release of the debut CD by **Da Bass'ics** entitled "**A Childhood Dream**"! *A Childhood Dream* encompasses a wide spectrum of musical genres and features my original compositions as well as a few covers that I've arranged. This recording of vocal and instrumental R&B, Funk, Jazz, Gospel and Go-Go of hand-picked vocalists and instrumentalists is a musical portrait of many to come.

Da. Bass.ics (Wayne Davis) is from Washington, D.C. and features some of the best artists that D.C. has to offer. The music is influenced by artist such as Marvin Gaye, D'Angelo, Eric Benet, Donny Hathaway, Aretha Franklin and the Godfather of Go-Go, Chuck Brown just to name a few.

Press:

"This is actually a songwriter's CD. My intention was to produce, arrange and write, but to also cover some songs that I was very passionate about. This CD is a portrait of who I am as an artist", continues Davis.

Can you give me detailed information regarding your upcoming Da Bass-ics project "A Childhood Dream"?

The CD is something that I always wanted to do, based on a dream that I had as a child. In the dream, I was hearing the song "Hollywood Swingin'" by Kool and the Gang and I was imagining myself performing on stage. However, I was playing the drums in my dream. The CD is a eclectic mix of who I am as an artist (musician, songwriter and arranger) that displays different genres of music that have shaped my style.
